In the last analysis nobody knows, but we do not know that it is under strict law. Abuse that law even slightly, pain results. Johnson, a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind." For sale by Stone & Mercer.

**Worse Every Year**  
Plenty of Clarksburg Readers Have the Same Experience.

Don't neglect an aching back. It will get worse every year. Backache is really kidney ache. To cure the back you must cure the kidneys.

If you don't other kidney ills follow—Urinary troubles, diabetes, Bright's disease.

A Clarksburg citizen tells you how—the cure is easy.  
"I have never had a strong back, something necessary to a man who follows my occupation, and of late years I have suffered a great deal from attacks of pain across the loins, each succeeding one more severe and prolonged than its predecessor. My back has been so lame and sore that when I bent I was all I could do to straighten, and after I contracted a cold it was sure to seat itself in the loins, and misery very feebly expresses what I endured. Thinking that Doan's Kidney Pills might help, I went to Wells & Haymaker's drug store for a box, more out of curiosity than expecting results. The treatment agreeably surprised me. I never used a medicine which gave such undoubted relief as Doan's Kidney Pills. Mrs. Johnson can speak just as positively about the remedy as I. She used it for symptoms of undoubted kidney complaint and the results received proved that for weak or overworked kidneys nothing can equal Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-McIlburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

**Cure for Sick Headache.**  
We had a letter the other day from a lady in the town of Boulder, Colo., that should be of interest to people who are troubled with spells of sick headache. She writes that she had these spells about four times a week, was obliged to go to bed and remain there from 8 to 10 hours each time. Had been troubled this way for several years, and the attacks became more frequent. Doctors done her no good, she tried dieting, as everybody said it was from her stomach. Seeing an advertisement of Dr. Gunn's Improved Liver Pills, which said they cure sick headache by removing the cause, she decided to try once more, and sent 50c for two boxes. She said she had taken the last pill more than 4 months ago, has not had a sick spell of any kind for more than 5 months. Druggists sell these pills for 25c per box. It only takes one for a dose, they cure sick headache every time Stone & Mercer.

**WHAT IS CATARRH?**

**Hyemey Only Guaranteed Cure For This Common and Disagreeable Disease.**

Hyemey Cures catarrh by the simple method of breathing it into the air passages and lungs. It kills the germs of catarrhal poison, heals and soothes the irritated mucous membrane and effectually drives this disease from the system. If you have any of the following symptoms, catarrhal germs are at work somewhere in the mucous membrane of the throat, bronchial tubes or tissues of the lungs.

Offensive breath, dryness of the nose, pain across the eyes, pain in back of the head, pain in front of the head, tendency to take cold, burning pain in the throat, hawking to clear throat, pain in the chest, a cough, sibilant in side, losing flesh, variable appetite, low spirited at times, raising of frothy mucus, expectorating yellow matter, difficulty in breathing, frequent sneezing, huskiness of voice, discharge from the nose, stoppage of the nose at night, itching of the body, droppings in the throat, mouth open while sleeping, tickling back of the palate, formation of crusts in the nose, dryness of the throat in the morning, loss of strength, spasms of coughing, cough short and hacking, cough worse nights and mornings, loss in vital force a feeling of lightness across the upper part of the chest.

Hyemey will destroy activity of all catarrhal germs in the respiratory organs and in a few weeks the cure will be complete.

This is a strong statement, but Stone & Mercer, emphasize it by agreeing to refund your money if Hyemey does not cure.

**A REAL GOOD CRY.**

**Let the Tears Flow and You Will Be All the Better For It.**

"A real good cry," said the facial artist, "ought to be as refreshing to the face as it is soothing to the feelings. And it would be, if women just understood how to manage it. In the first place, they should not try to repress their tears. This is a nervous strain, and nervous strains are productive of wrinkles and that 'worry look' which adds years to a woman's age."

"Then crying and sniveling are going to rejuvenate us, madame," exclaimed the customer in astonishment as she turned the other cheek.

"Crying, yes; sniveling and moping, no," replied madame, proceeding with the putting and pinching, which were calculated to restore the lost roses of youth.

"When for any cause the 'tear ducts' fill, the tears should be allowed to flow gently and unobstructed over the face and fall into a handkerchief held beneath the chin to receive them. No attempt should be made to stop them halfway down on the face, as this leaves the eyes red and swollen, and should never be attempted at the nose. The wiping and rubbing that result in swollen eyelids and red noses are not only unnecessary, but as positively injurious to the complexion as the other method is beneficial."

"You mustn't keep pumping up new tears by regarding yourself of all the 'mean' things that made you cry at first. After the first tears have started just lie back and think over soothing things, all that is in your life that makes it full of sunshine and brightness in spite of the present clouds. Don't work yourself up into a passion of sobbing and sniveling by being too sorry for yourself. Just get out your little 'handkerchief' put it where I told you and let the refreshing shower come gently and steadily as the spring rains fall. Roses will bloom in your cheeks and lips afterward instead of on your nose, and if there are violets in your eyes they will come out brighter and fresher than ever."

**THE AGING PROCESS.**

**A Medical Suggestion as to How It May Be Arrested.**

To drink the waters of the fountain of youth is still, in the opinion of some, within the range of possibility. A recent writer observes that man began in a godlike condition and ends in an ass-like one. He is not in infancy; he is in old age. Aging is a process of ossification. After middle life has passed a more marked development of the ossific character takes place. The arteries become thickened with calcareous matter, and there is interference with circulation, upon which circulation depends. The whole change from youth to old age is one of steady accumulation of calcareous deposits in the system. Entire blockade of the functions of the body is a mere matter of time, and the refuse matter deposited by the blood through the system stops the delicate machinery we call life. The blood contains compounds of lime, magnesia and iron. In the blood itself are these earthly salts. In early life they are thrown off in age they are not. Almost everything we eat contains these elements for the destroying life. Earthly salts abound in the cereals, and bread itself, mistakenly called "the staff of life," is one of the most calcareous of edibles. Nitrogenous food also contains these elements; hence a diet made up of fruit is best for people advanced in years. The daily use of distilled water is, after middle life, one of the most important means of preventing secretions and derangements of health. Diluted phosphoric acid is one of the most powerful influences known to science for the maintenance of old age. Use it daily with distilled water, or so retard the approach of senility. To retain perpetual youth, avoid all foods rich in the earth's salts, use much fruit, especially juicy, uncooked apples, and take daily two or three tumblerfuls of distilled water with about fifteen drops of diluted phosphoric acid in each glass full. This will your days be longer in the land.—Medical Age.

irregularity in the punishment. There are two boys who manage to be rather unruly in school, and their teacher was so exasperated one day that she ordered them to remain after hours and write their names 1,000 times. She watched them plunge into the task. Some fifteen minutes later one of them grew uneasy and began to watch the companion in disgrace. And, seeing the first one burst out with a roar of despair and between his pals said to the teacher: "Tain't fair, mum! His name's Bush, and mine's Reckintemeyer!"  
Hillsburg Dispatch.

**Deeds of South African Tribes.**

Factions among the native tribes of South Africa are thus described by a recent writer: "During one season the people are all availing safety plans as carriers; the next season no one will look at them, for pins are 'out' and buttons are 'in.' In one tribe blue spotted cotton handkerchiefs are all the rage, but fifty miles away no one will look at such things—they wear cotton shirts. The only universal garment, perhaps, consists in headwork and Zulus take to headwork more than others; the one thing they are all consistent in is a strangely good taste for color combination. They never indulge in a combination of muddy colors, never affect an inharmonious color scheme, thus bearing out Ruskin's statement that bad taste in color does not arise in people who are left to themselves and nature." Hairdressing is a prodigious business among them. The process is assisted by a liberal use of red clay, and as the perfected work of art is expected to last a month the head is permitted to rest on the nape of the neck only when the owner sleeps."

**Fearful Odds Against Him.**

Bedridden alone and destitute. Such in brief was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with Kidney disease and neither doctors or medicine gave him relief. A length he tried Electric Bitters. It put him on his feet in short order and now he testifies: "I am on the road to complete recovery." Best on earth for Liver and Kidney troubles and all forms of Stomach and Bowel Complaints. Only 50c Guaranteed by Stone & Mercer and F. G. Bland, Druggists.
